## PROPERTY DESCRIPTION

Undoubtedly & unequivocally one of the most unique estate homes on the Butler Chain of Lakes! This 4-story dream home was designed and built by the present owners who were perhaps ahead of the times in their ideas, however, they wanted to take advantage of their expansive waterfront with over 250 feet of lakefront which offers breathtaking views in every direction, plus dramatic sunsets. Special features include not only a Game Room & Theatre Room but also a specially designed wine cellar with a wine tasting room adjoining. A really nice surprise are the two porthole windows with views into the 60,000 gallon custom pool. This dream home offers many other fine features and amenities that are a "must see!" This rare beauty is located on Lake Down in Windermere Oaks, on a paved street in Olde Windermere. Besides getting this gorgeous palace, Olde Windermere offers 13 parks, tennis courts, police department, shopping, eating, an Orange County Library plus great functions for town residents. This is one great package and it is a delight and pleasure to be chosen to market "Casa de Sirenas," such a rare gem.
